	Wed Dec 12-Fri Dec 14			- Grade 4 camp to Lady Northcote
	Friday	Dec	21	- 1.00 pm dismissal for end of Term 4

FROM THE PRINCIPAL

Long Weekend

A reminder that this Monday June 11 is the Queen's Birthday holiday which is a pupil free day at school.

Student Disco Thank You

Thank you to the Parents' Committee who continue to do a power of work around the school for our children. The students had a terrific time at the disco and had the chance to sing and dance to hit music. I would also like to thank many of the staff who came along

and supported the night; it was much appreciated particularly as it is report writing time.

World Oceans Day Friday

Our Marine Ambassadors will take some environmental lessons during our 'dress in blue for World Oceans Day'. The messages are based around cleaning up our environment and doing as much as we can to educate our young and upcoming children on sustainability. Pledges by families will result in healthier marine life in our waterways.

COURTESY RESPECT CO-OPERATION RESPONSIBILITY

Strategic Plan

School Vision

Cheltenham East students are empowered learners who are flexible thinkers with the skills and knowledge to respond critically to their world.

The following are our three main goals in our Strategic plan:

- 1 To achieve a trend of improved learning growth in all areas of the curriculum.
- 2 To ensure students access a safe, happy, stimulating learning environment that encourages them to be resilient, confident and persistent.
- 3 To develop a cohesive and consistent approach to building students' social and emotional health to reinforce the school values.

The following are key improvement strategies which we believe will allow us to achieve excellence in teacher practice:

- Build the capacity of teachers to implement an approach to classroom management that supports an engaging and productive learning environment
- Develop teacher capacity to incorporate student agency in the teaching and learning framework.
- Strengthen professional learning teams by building their capacity to analyse and reflect on data
- Professional learning - observation and feedback (define what it is - shared understanding and how it will work within levels and across the school)

The following are key improvement strategies in curriculum planning:

- Allocate time for ongoing peer observations and feedback opportunities
- Ensure an agreed curriculum is consistently implemented across the school
- Apply the agreed instructional model to all key learning areas of the school
- Gather evidence to support teacher judgements and for students to set learning goals
- Elicit constructive feedback from students to ascertain their level of understanding
- Develop and document a 'CEPS' Pedagogical Plan that will integrate and align the school's programs and activities

Enrolments for 2019 Foundation

If you know of families that are intending to enrol at Cheltenham East in 2019, please encourage them to drop in and collect an information package. We would

appreciate prompt return of enrolment forms to assist us in planning for 2019.

Teeth on Wheels

Many parents have made use of the free checkup for children in the Teeth on Wheels van. This was a great opportunity to get the message of "clean your teeth" properly across to children. It may save a lot of money for families in the future if we can ensure their teeth are healthy now.

Zone Cross Country

Well done to our eight runners in the Zone Cross Country on Wednesday. They did the school proud And tried their best which is all we can ask of them. Congratulations to Tim R. who made it through to Regional Cross Country. This was an amazing effort as we haven't had anyone make it to this stage in a long time. Good luck Tim!

Lost Property

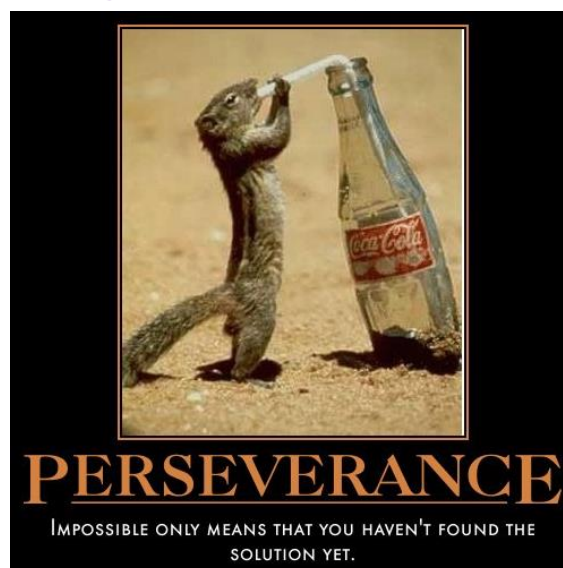

We have lots of unnamed lost property at the moment and lots of named items missing. Parents please check your child's clothing to make sure that they haven't brought home someone else's items.

It is very easy to mix up items of clothing. If you find that it isn't yours could you please return to the right owner or bring to the office. Lost property is situated near the science room in the lost property cupboard.

Staff Carpark Reminder

A reminder to parents that the staff car park is not to be used as a drop off/pick up point for children before and after school. Any time between 8.30am and 9am and between 3.30pm and 4pm are busy times with the majority of children arriving and leaving through the school gates at these times

Thought For the Day

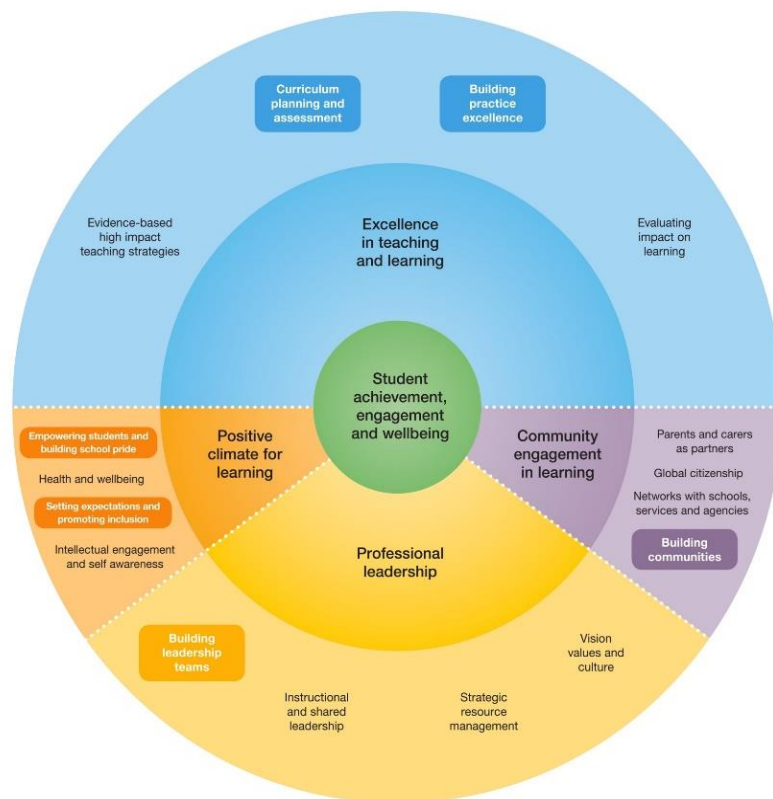

Frameworks For Improving Students Outcomes (FISO)

All schools are using the model below to achieve better outcomes for our children. Success is based around student achievement, engagement and well-being. Developing a positive climate for our children to learn in, professional leadership skills in our staff, connecting with the community and excellence in teaching and learning is essential to children gaining improved outcomes. The improvement cycle is used by our school to assess program effectiveness and ensure there is rigour and accountability in our curriculum.

COURTESY RESPECT CO-OPERATION RESPONSIBILITY

CEPS KIDS ARE FRIENDLY KIDS

This term we are working on **RESPECT**
and next week we are looking at

Respecting Differences

There are many things we have in common and share at Cheltenham East Primary School. But there are many ways in which we all differ. Some of us like football, while others prefer netball. Some like maths, others prefer reading books. Some people like to listen to CDs; others like to play on the computer. Some like the Saints and some go for the Bombers. Some of us are tall, some of us are short. Some are strong and some are fast.

In some way or another we are all different and that makes us all the more interesting. It would be pretty boring if everyone went around doing exactly the same thing - we would all be like robots. Thankfully we are not robots, we are human and we are all different. Even in the same family we are different from our brothers and sisters.

Rather than worrying about these differences we need to accept and respect them, and also to celebrate them. It is good that we are all different from each other; all special and unique.

FRIDAY MORNING LIBRARY BOOK COVERING

Dear CEPS families,

We have overflowing tubs full of books, and because we want to make all these goodies available on the shelves for our students to read as soon as possible, **we are organising weekly covering sessions, at least until we empty those**

tubs. Sessions will take place in the library on Fridays between 9.00am and Recess. Lisa (our superstar library volunteer), will be in the library during this time. If you can spare some time, please join her in the library and help us cover some of these books!

No RSVP or prior experience is necessary.

Thank you everyone!

CEPS KIDS ARE FRIENDLY KIDS

Awards for displaying Respect

Week 8 & 9 CEPS Positive Behaviours

This is how I show ***Respect*** when ***Going Places***

I use my eyes to look at the artwork when I am going places.

I keep my hands to myself as I move down corridors.

Will YOU be noticed for this positive behaviour?

Let's continue to build the Rainbow with our tokens. Show Respect when moving from one area to another and you might receive a token next week! ***The Wellbeing Team.***

PE NEWS

In week 6, all the children from Foundation through to Grade 6 participated in a Basketball Clinic held by representative Sabres players. It is always a wonderful opportunity to work with the wider community to teach fundamental movement skills. The children had a fantastic time. This term, through the Schools Sporting Program we received a sports grant to enable Melbourne Victory Football Club (Soccer) to come to CEPS and teach a 4 week program, for some classes to participate in soccer skills, another fabulous initiative to keep children active. Other classes will also benefit from this during their PE lessons.

Over to cross country news where the F-2 completed their run around the oval and enjoyed a fantastic afternoon with so many parents, friends and older children from grade 3-6 classes coming out to cheer them on. F-2 Results were Tarmaroo – 73, Coolac – 61, Arunyah – 57 and Kambara – 44. Grade 3- 6 cross country results were: Kambara – 77, Arunyah – 69, Coolac – 61 and Tarmaroo – 52. A wonderful achievement for all of CEPS! Good luck to those children competing at Divisions. Keep practising!

Mrs Robinson

WoW Wednesdays

Safe Routes to School Program

Congratulations to 3S who improved from 58% in week 5 (Walk to School Day) to 67% in week 6! They were the only class who improved from Walk to School Day.

Grab some friends and family and come along to CEPS Social Trivia Night!!!

A night full of games, prizes & fun!!

We have the awesome people from the Funky Bunch Trivia coming to host our event!

Saturday the 28th July
Doors open at 7pm for a 7.30pm start
Tickets : \$20pp
Where: School Hall

Get a table of friends together and name the table or we can place you on a table with some new faces to test your knowledge!

Create a name for your table and perhaps a theme.
 Prizes for best table name, best dressed & best theme!
 Tables are of 10 people (if you'd like more come speak to us)

Limited Tables available so get in quick!

We hope to see many of you there for a great social fundraiser for the school!

Payment via QKR and table names to the Office.

SENTRAL / REPORTING UPDATE

Moving to a new reporting platform has meant that CEPS has been able to craft the reports to meet our needs (following DET guidelines). As a result, there will be a much stronger focus on attitude and effort for the semester 1 reports, giving parents a greater insight to their children's behaviour and engagement across all subjects.

This focus will also shift us away from the previous A – E marking system which can at times be confusing. Instead there will be focus on learning growth with teachers commenting on where your child sits in regards to their growth across the different subjects. While the scale in figure 1. remains in front of the report, at each subject area the old letter mark will be replaced with scale in figure 2.

**It is important to remember that a report is snapshot of your child's progress at a certain point in time. Progress and growth is not always linear and it should be expected that there will be variations in achievement between reports and even years.*

There will be further updates on how the reports will look throughout the term.

Figure 1

Assessment Scores for English, Mathematics, and Science

Rating:

- A Well above the standard expected at this time of year
- B Above the standard expected at this time of year
- C At the standard expected at this time of year**
- D Below the standard expected at this time of year
- E Well below the standard expected at this time of year

Legend:

- Your child's achievement this report
- Your child's achievement 12 months ago
- Your child's progress over the last 12 months
- The expected level of achievement

All Other Subjects (Learning Growth Scale)

Attitude Grade	Attitude Description
Extending Understanding	The student has an extensive knowledge and understanding of the content and can readily apply this knowledge. In addition, the student has achieved a very high level of competence in the processes and skills and can apply these skills to new situations.
Applying Understanding	The student has a thorough knowledge and understanding of the content and a high level of competence in the processes and skills. In addition, the student is able to apply this knowledge and these skills to most situations.
Consolidating Understanding	The student has a sound knowledge and understanding of the main areas of content and has achieved an adequate level of competence in the processes and skills.
Basic Understanding	The student has a basic knowledge and understanding of the content and has achieved a limited level of competence in the processes and skills.
Emerging Understanding	The student has an elementary knowledge and understanding in few areas of the content and has achieved very limited competence in some of the processes and skills.

Book School Interviews Online

Dear Parents

Parent/Teacher interviews will be held on **Wednesday 27th June** between **2pm – 8pm** for all classes **except Year 2E**. Due to staff availability, interviews for Year 2E will be on **Tuesday 26th June** between **2pm – 8pm**.

All bookings for interviews will be made online. This will enable you to schedule interviews at times that suit **YOUR FAMILY BEST**.

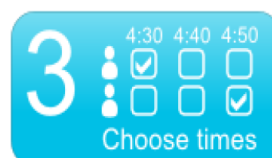

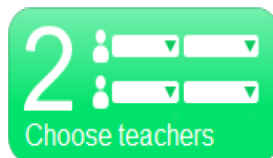

Go to www.schoolinterviews.com.au and follow the simple instructions below.

BOOKINGS OPEN: Tuesday 12th June at 9am and close at 4pm the day prior to interviews.

Go to:

www.schoolinterviews.com.au

Enter the school event code.
Then follow the 3 simple steps.

When you click **finish**, your interview timetable will be emailed to you automatically - **check your junk mail folder** if you do not receive your email immediately.

You can return to www.schoolinterviews.com.au at any time, and change your interviews - until bookings close.

For parents who don't have access to the internet at home, at work, at a friend's house or on their phones, please contact the school office or your child's teacher. Interviews are strictly 10 mins and spaces are limited. If you require more time, please contact your child's teacher directly to make alternative arrangements.

Parents can change their interview bookings, any time prior to the closing date, by re-visiting the www.schoolinterviews.com.au website, and using the event code. Remember to use the same name and email address you used when you made your original booking. Parents wishing to change their interview times after the closing date, should contact the school directly on: 9583 5746

WANTED

Can you help us please?

A group of 45 dedicated Y4, 5&6 students have entered this year's Australian Wakakirri Storydance Competition – a 7min narrative told through movement.

We have been rehearsing twice a week at lunchtime this term, to put together our entry, along with the help of Mrs Ward and Miss Douch. As the competition draws closer (early August) we need to arrange our costumes and props.

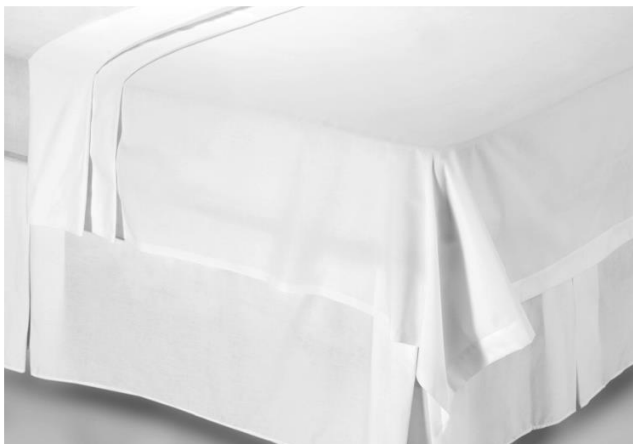

WE REQUIRE YOUR HELP...

DONATIONS NEEDED PLEASE!

Plastic shopping bags – only in colours grey or white

Clean white **flat** sheets – Any size, age and condition (will be painted on)

Does anyone in our community have access to large, fridge-sized cardboard boxes? We need to source at least 5 of these.

WE THANK YOU FOR YOUR ASSISTANCE

PLEASE FORWARD ALL DONATIONS TO MRS WARD

HELP OUR SCHOOL WIN A COMMUNITY GARDEN!

Our school is competing in the **Colgate Community Garden Challenge!**

By recycling oral care waste, we're in the running to win
a recycled community garden set!

DROP YOUR ORAL CARE WASTE HERETO HELP US WIN

We accept any brand of used:

Toothpaste tubes and packaging, Non-electric toothbrushes and packaging,
Floss containers and packaging, Interdental brushes and packaging.

You can also vote for us online at
www.terracycle.com.au/colgategardenvoting

To find out more about the Colgate Community Garden Challenge and
for full terms and conditions, please visit: www.terracycle.com.au/colgategaden.
If you have any further questions, call TerraCycle on 1800 983 324
