

# CHELTENHAM EAST PRIMARY SCHOOL

2/06/2021

Dear parents and carers

The Victorian Government has announced arrangements for schools in Victoria from and including Friday 4 June.

Based on advice from the Victorian Chief Health Officer, all schools in metropolitan Melbourne will continue with remote and flexible learning until Thursday 10 June. This includes our school.

Students who reside in regional Victoria will continue remote and flexible learning.

Existing arrangements for on-site supervision of vulnerable children and the children of authorised workers continue to be in place.

## **Remote and flexible learning**

It is vital that all families connect with teachers 5 days a week for roll marking. Our teachers will continue to provide information to you about student activities during this time. This includes curriculum tasks and activities initially instructed via Classroom Dojo for students in Foundation-Y2 and the Google Classroom for those in Y3-6.

Information is available to [support your child's learning from home](#).

## **On-site supervision**

Our school will provide on-site supervision for students in the following categories:

- Children whose parents and/or carers are authorised workers who cannot work from home and where no other supervision arrangements can be made, including children of teachers in government schools who are required to return to work on-site.
- children experiencing vulnerability, including:
  - children in out-of-home care
  - children deemed vulnerable by a government agency, funded family or family violence service, and assessed as requiring education and care outside the family home
  - children identified by a school or early childhood service as vulnerable, (including via referral from a government agency, or funded family or family violence service, homeless or youth justice service or mental health or other health service)

If your child requires on-site supervision, please complete the Onsite Learning Registration accessible via Classroom Dojo, then you will receive confirmation via email.

## **Face masks**

Children under 12 years of age and students at primary school are not required to wear face masks when at school, or when attending an OHSC program.

Face masks are mandatory for all school students aged 12 or older when travelling to and from school.

Kind regards
