Our school provides a safe, harmonious, inclusive and stimulating learning environment, where academic achievement and student wellbeing is prioritised and nurtured. We care for, and appreciate, each of our students as the unique individuals that they are, each with distinct talents, interests and needs, and each with differing learning styles.

Our dedicated and passionate teachers ensure our students develop the 21st century skills necessary to engage successfully and confidently in our rapidly changing world. We use innovative, evidence based instructional approaches in Literacy and Numeracy, while also placing high importance on other areas of the curriculum such as Humanities (Geography, History, Civics and Citizenship and Economic/Business) Visual Arts, Performing Arts, Instrumental Music, Science, Physical Education and Italian.

Cheltenham East Primary School also promotes strong values education with our staff and students upholding our values of Respect, Responsibility, Courtesy and Co-operation. These values underpin the basis of how we interact positively with each other, and our environment. We are dedicated to preparing our students as socially adept, resilient and competent members of society.

There is high value placed on community participation with many opportunities to become involved in school events and activities. Providing assistance in the classroom, volunteering for excursions, parent/teacher interviews, involvement in school council and attendance at working bees are amongst a diverse list. The school has a dedicated Parent's Committee who pride themselves in both a rigorous fundraising agenda and the coordination of social events.

Our school offers an 'open door' communications policy. We welcome parent input and are always willing to address any concerns as quickly as possible. When we work together, we can offer the very best education possible.
