

CHELTENHAM EAST PRIMARY SCHOOL

8th November 2024

Dear Parent/Guardian,

Cheltenham East Primary School is looking forward to another great year of teaching and learning and would like to advise you of our school's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer. This financial support ensures that we can continue to provide the excellent range of facilities and resources for your children.

Your support has allowed us to provide an enriched learning and teaching program for every student which is highly valued by our school community. At CEPS we design and develop learning and teaching programs drawing on the best educational knowledge and practices and strive to offer broad and enriched opportunities to students that are above and beyond what is required in the standard curriculum, and which is provided for by Government funding. Your recent support has allowed us to:

- Offer a wide range of subjects and special curriculum experiences for our students across all year levels, in particular through the purchase of quality art, music and physical education equipment and resources
- Upgrade and purchase additional IT devices providing enhanced digital learning opportunities
- Continually resource and restock literacy books and library books
- Continue the upkeep and maintenance of our school grounds, ensuring a safe and attractive environment for all who use the facilities
- Replace old and broken furniture
- Provide assistance to families in need

Please find the schedule for your child's voluntary financial contributions for 2025 attached. This is provided to families prior to the end of the school year for planning purposes only. Payments can be made from Term 1, 2025. **No curriculum contribution payments are required in 2024.**

Please note that your booklist (stationery order) must be completed separately to your Parent Payments. See the attached flyer from Officeworks for full details. The School List Service through Officeworks is open now and is available until **2nd February 2025.**
