Students are NOT to bring any food or electronics to the pool.

It is the policy of Bayside Aquatics that no photos are to be taken at the pool but parents are encouraged to come along and watch. The first day students will be assessed according to their ability and students may move groups after this session. If students have any medication kept in the sick bay, they need to give this to their teacher before they leave school.

The permission note (attached) and payment of \$115.00 are required on or before **Friday 8th September**. We encourage all payments via the Qkr app. Payments can also be made via cash, credit or eftpos. Please ensure that payments sent to the office are clearly marked with your child's name and class.
